

ThreatFactor NSIA - Feature #155

ScanResult Based Actions

05/22/2010 12:34 PM - Luke Murphey

Status: Closed	Start date: 05/22/2010
Priority: Normal	Due date:
Assignee:	% Done: 100%
Category: Incident Response	Estimated time: 0.00 hour
Target version:	
Description Changed the incident response actions such that they trigger on scan results instead of event logs. This gives the benefit of firing only once for a single rule as opposed to for each URL that fails.
