| <p>[ M ] - check_link_includes_contact_info - Check that the app's documentation lists contact information and level of support for the app. Any level of support is acceptable for developer supported apps, as long as it is clearly declared in documentation. Community supported apps must be open source with a public repository. For example: * Email support during weekday business hours (US, West Coast). * Phone support 24x7 @ +1 (555) 123-4567. * This is an open source project, no support provided, public repository available.</p> |          |                        |            |
