

## Splunk Build Script - Bug #1759

### Updates to the devtools library are not downloaded

03/02/2017 09:02 AM - Luke Murphey

<b>Status:</b>	Closed	<b>Start date:</b>	03/02/2017
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Luke Murphey	<b>% Done:</b>	100%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	1.0		
<b>Description</b>			
The splunkdevtools library will not be updated if a new one is released.			

#### History

##### #1 - 03/02/2017 09:03 AM - Luke Murphey

Could address this by:

1. Somehow detecting changes in the library
2. Detecting that some operations are not possible (and using an alternate)
3. Could version the library and tie the build script to a particular version

##### #2 - 03/02/2017 09:04 AM - Luke Murphey

- Subject changed from *Updates to the dependent library is not updated* to *Updates to the devtools library are not downloaded*

##### #3 - 03/04/2017 12:30 AM - Luke Murphey

Need to have the build script output the jar with the version number. That way I can have these released as separate releases.

##### #4 - 03/04/2017 12:58 AM - Luke Murphey

- Target version set to 1.0

##### #5 - 03/04/2017 03:02 AM - Luke Murphey

- Status changed from *New* to *Closed*

- Assignee set to *Luke Murphey*

- % Done changed from *0* to *100*
