

Splunk Build Script - Bug #1800

Script should handle the lack of a build ID better

03/26/2017 03:25 AM - Luke Murphey

Target version:			
Description			
Either the script should:			
<div>1. Script should continue with a another build ID</div> <div>2. Should output a warning and tell the user what to do (commit the code)</div>
