Description			

History

#1 - 05/22/2017 05:11 PM - Luke Murphey

- Subject changed from Import option appears even when the lookup is read-pnly to Import option appears even when the lookup is read-only

#2 - 05/22/2017 08:43 PM - Luke Murphey

- Target version deleted (2.7.0)

This is a bit difficult since the lookup gets rendered later than the HTML gets rendered. Thus, this isn't as simple as adding this to the HTML template. I also cannot re-render the template since this includes the inputs for editing the KV schema.
