Sophocles' Ajax, or Aias (or ; Ancient Greek: Αἴας [aí.i.a:s], gen. Αἴαντος), is a Greek tragedy written in the 5th century BCE. Ajax may be the earliest of Sophocles' seven tragedies to have survived, though it is probable that he had been composing plays for a quarter of a century already when it was first staged. It appears to belong to the same period as his Antigone, which was probably performed in 442 or 441 BCE, when he was 55 years old. The play depicts the fate of the warrior Ajax, after the events of the Iliad but before the end of the Trojan War.

- File updated_read_dialog.png added

The screenshot shows the TextCritical.net website interface. At the top, there are navigation links: Read, Search, About, Contact, and a Search Library button. The main content area is titled 'Library' and displays a list of entries. A modal window is open over the 'Ajax' entry, providing detailed information:

- Title:** Ajax
- Language:** Greek
- Author:** Sophocles
- Editor:** Sir Richard Jebb

The modal also includes a description: "Sophocles' Ajax, or Aias (or ; Ancient Greek: Αἴας [aí.as], gen. Αἴαντος), is a Greek tragedy written in the 5th century BCE. Ajax may be the earliest of Sophocles' seven tragedies to have survived, though it is probable that he had been composing plays for a quarter of a century already when it was first staged. It appears to belong to the same period as his Antigone, which was probably performed in 442 or 441 BCE, when he was 55 years old. The play depicts the fate of the warrior Ajax, after the events of the Iliad but before the end of the Trojan War."

At the bottom of the modal, there is a link to "View on wikipedia" and a "Close" button. The background shows a list of other entries, including 'Ajax', 'Alcibiades', 'Alcibiades 1', 'Alcibiades 2', 'Alexander', 'Alexander 1', 'Alexander 2', 'Alexander 3', 'Alexander 4', 'Alexander 5', 'Alexander 6', 'Alexander 7', 'Alexander 8', 'Alexander 9', 'Alexander 10', 'Alexander 11', 'Alexander 12', 'Alexander 13', 'Alexander 14', 'Alexander 15', 'Alexander 16', 'Alexander 17', 'Alexander 18', 'Alexander 19', 'Alexander 20', 'Alexander 21', 'Alexander 22', 'Alexander 23', 'Alexander 24', 'Alexander 25', 'Alexander 26', 'Alexander 27', 'Alexander 28', 'Alexander 29', 'Alexander 30', 'Alexander 31', 'Alexander 32', 'Alexander 33', 'Alexander 34', 'Alexander 35', 'Alexander 36', 'Alexander 37', 'Alexander 38', 'Alexander 39', 'Alexander 40', 'Alexander 41', 'Alexander 42', 'Alexander 43', 'Alexander 44', 'Alexander 45', 'Alexander 46', 'Alexander 47', 'Alexander 48', 'Alexander 49', 'Alexander 50', 'Alexander 51', 'Alexander 52', 'Alexander 53', 'Alexander 54', 'Alexander 55', 'Alexander 56', 'Alexander 57', 'Alexander 58', 'Alexander 59', 'Alexander 60', 'Alexander 61', 'Alexander 62', 'Alexander 63', 'Alexander 64', 'Alexander 65', 'Alexander 66', 'Alexander 67', 'Alexander 68', 'Alexander 69', 'Alexander 70', 'Alexander 71', 'Alexander 72', 'Alexander 73', 'Alexander 74', 'Alexander 75', 'Alexander 76', 'Alexander 77', 'Alexander 78', 'Alexander 79', 'Alexander 80', 'Alexander 81', 'Alexander 82', 'Alexander 83', 'Alexander 84', 'Alexander 85', 'Alexander 86', 'Alexander 87', 'Alexander 88', 'Alexander 89', 'Alexander 90', 'Alexander 91', 'Alexander 92', 'Alexander 93', 'Alexander 94', 'Alexander 95', 'Alexander 96', 'Alexander 97', 'Alexander 98', 'Alexander 99', 'Alexander 100'.
