Observations: #

Questions:

1. What is the cause the freeze?
    1. The call to self.rfile.read()
2. What the content-size provided?
    1. 41
3. What is the size of the actual content?
    1. Not even one character can be read
4. Does this hang in the browser?
    1. Not with a GET
5. Does using the exact statement suggested in https://stackoverflow.com/questions/17888504/python-basehttprequesthandler-read-raw-post work?
    1. It doesn't

#3 - 11/02/2017 11:00 PM - Luke Murphey

- Status changed from New to Closed

- % Done changed from 0 to 100

Have this working but the tests are not working correctly.
