Description

Hi Mr. Murphy,

I got around to download the ebooks of Plutarch Lives one by one, and found that Greek version of Coriolanus is missing. It seems to be here in Perseus:

<http://www.perseus.tufts.edu/hopper/text?doc=Perseus%3atext%3a2008.01.0109>

It is by no means among Plutarch's most important lives, but Shakespeare did base a play on it. In any case, if you could make it available that will patch a hole in the collection.

Thank you again for making such a useful website!
