History

#1 - 08/22/2019 05:05 PM - Luke Murphey

This seems to happening with a host using NTLM authentication. The code has since been modified such that it will no longer crash but this wouldn't allow authentication to succeed.

#2 - 08/22/2019 05:24 PM - Luke Murphey

FeedsTail doesn't seem to have support for NTLM: <https://pypi.org/project/feedstail/>
