- Assignee set to Luke Murphey

#2 - 04/13/2020 10:32 PM - Luke Murphey

Qs:

- Can I assume that run() only gets call once for each input?

Obs: *

Solns:

- Track paths in a list and use that list to identify how to execute the input
    - Add tracking of a list of inputs
    - Instantiate servers for each port
    - Have server run shared function (control access via mutex)

#3 - 04/13/2020 10:32 PM - Luke Murphey
