

ThreatFactor NSIA - Feature #313

Per-Customer Scan Limits

01/18/2011 01:51 AM - Luke Murphey

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Scan Engine	Estimated time:	0.00 hour
Target version:			
Description			
Add limits that prevent customers from running too many scans (that beyond their license or that which may cause performance degradation for other customers).
