

ThreatFactor NSIA - Feature #313

Per-Customer Scan Limits

01/18/2011 01:51 AM - Luke Murphey

Status: New	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Scan Engine	Estimated time: 0.00 hour
Target version:	
Description Add limits that prevent customers from running too many scans (that beyond their license or that which may cause performance degradation for other customers).
