

## ThreatFactor NSIA - Feature #333

### Definition Export Includes Version Number

02/11/2011 11:48 PM - Luke Murphey

<b>Status:</b>	New	<b>Start date:</b>	02/18/2011
<b>Priority:</b>	Normal	<b>Due date:</b>	02/20/2011
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Scan Engine	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Description</b>			
Exported definitions do not need a version number and this should be excluded. Note that NSIA does not allow definitions to be imported that do not have a definition set version number.			
Need to also verify that NSIA does not overwrite the official definition set number with the number from the custom set.
