ThreatFactor NSIA - Feature #333

Definition Export Includes Version Number

02/11/2011 11:48 PM - Luke Murphey

Status:	New	**Start date:**	02/18/2011
Priority:	Normal	**Due date:**	02/20/2011
Assignee:		**% Done:**	0%
Category:	Scan Engine	**Estimated time:**	0.00 hour
Target version:			

Description

Exported definitions do not need a version number and this should be excluded. Note that NSIA does not allow definitions to be imported that do not have a definition set version number.

Need to also verify that NSIA does not overwrite the official definition set number with the number from the custom set.
