ThreatFactor NSIA - Feature #347

Make Rule Start Time Available to ThreatScripts

05/28/2011 10:14 PM - Luke Murphey

Status: Closed Start date: **Priority:** Normal Due date: % Done: Assignee: Luke Murphey 100% Category: Scan Engine **Estimated time:** 0.00 hour Target version: 1.0.5

Description

ThreatScripts cannot get the time that the rule was started. For this reason, you cannot develop definitions that perform a function once for each rule invocation.

History

#1 - 05/28/2011 10:30 PM - Luke Murphey

- Status changed from New to Closed
- Assignee set to Luke Murphey
