**Description**

It would be nice if the charts were converted to use HTML5. This would allow them to update in real-time better and would likely look better.

Below are some libraries that could be used:

- [http://www.filamentgroup.com/lab/update\\_to\\_jquery\\_visualize\\_accessible\\_charts\\_with\\_html5\\_from\\_designing\\_with/](http://www.filamentgroup.com/lab/update_to_jquery_visualize_accessible_charts_with_html5_from_designing_with/)
- <http://excanvas.sourceforge.net/>
- <http://code.google.com/p/flot/>
