ThreatFactor NSIA - Bug #380

Definition Errors Panel Does Not Clear

07/06/2012 03:30 PM - Luke Murphey

Status:	New	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Web Interface	**Estimated time:**	0.00 hour
Target version:			

Description

The list of definition errors does not seem to clear out. Thus, it appears to show definition errors from the distant past indefinitely.

NSIA should allow users to clear the list of definition errors and it should ignore any that are older than 30 days old.

History

#1 - 07/06/2012 03:32 PM - Luke Murphey

- Target version set to 1.0.7
