TextCritical.net - Bug #430

Division titles are set improperly

11/10/2012 07:00 AM - Luke Murphey

Status:	Closed		**Start date:**	11/10/2012
Priority:	Normal		**Due date:**

Target version:	0.1			

Description

Division titles that are set by looking for a head tag within the division element may be set wrong because the code does not restrict itself to direct descendants of the division tag. Thus, a division which has a division under it with a head tag will grab its descendant's, descendant's tag.

Associated revisions

Revision 163 - 11/17/2012 09:27 AM - Luke Murphey

Fixed issue where division titles were set incorrectly. Also, fixed issue where some works were not imported because chunks of type "card were not properly detected.

Reference #430.
