

ThreatFactor NSIA - Bug #45

Dialogs for Invalid Input Fail to Return Correctly

04/08/2010 10:57 PM - Luke Murphey

Status:	Closed	Start date:	04/08/2010
Priority:	Normal	Due date:	
Assignee:	Luke Murphey	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Description			
Some of the dialog's handling invalid input fail to return true and thus allow the methods that create the views to believe that the no content was provided. This causes duplicated content and fails to populate the dashboard headers.
