Revision 294 - 12/31/2012 09:35 AM - Luke Murphey

Fixed issues that prevented the Greek anthologies from importing correctly. Closes #469.

History

#1 - 12/30/2012 03:45 AM - Luke Murphey

All of the divisions are marked as readable units which is unlikely to be valid. The first division contains the following content which should not be considered readable:

```
<label>ta\ tw=n *xhristianw=n e)pigra/mmata eu)sebh= te kai\ qei=a e)pigra/mmata ka)\n oi( *(/ellhnes a)pare/s
kwntai</label>
```

Chapter one includes the following:

```
<?xml version="1.0" ?><chapter>
                <docAuthor lang="la">
                    <persName key="tlg-0138" lang="la"><foreign lang="la">anonymi epigrammatici</foreign></persN
ame>
                </docAuthor>
                <label>ei)s to\ kibou/rion th=s a(gi/as *sofi/as</label>
                <p>
                    <lb/> a(\s oi( pla/noi kaqei=lon e)nqa/d' ei)ko/nas
<lb/> a)/naktes e)sth/lwsan eu)sebei=s pa/lin.
</p>

                </chapter>
```

The actual content appears to be sub-division under the chapter nodes. That should probably be a verse.

#2 - 12/30/2012 04:24 AM - Luke Murphey

The first actual chapter contains the following:

> εἰς τὸ κιβουριον τῆς ἁγιας Σοφιας
> ἃς οἱ πλανοι καθεῖλον ἐνθαδ᾽ εἰκονας
> ἄνακτες ἐστηλωσαν εὐσεβεῖς παλιν.

See http://www.perseus.tufts.edu/hopper/text?doc=Perseus%3Atext%3A2008.01.0472%3Abook%3D1%3Achapter%3D1

The first chapter is at the following URL: http://127.0.0.1:8080/work/greek-anthology-volume-i/1/1. This chapter is not listed in the chapter list because the parent divisions are listed as readable units and the chapters are actually bundled under the chapters beneath.

I could use an option that doesn't allow parent divisions to be readable units. However, there appears to be some divisions that made that seem like they shouldn't be divisions.

#3 - 12/31/2012 04:40 AM - Luke Murphey

The extra unit hanging off of chapter 10 appears to be treated as a separate unit that is part of 10 in Perseus.

#4 - 12/31/2012 05:05 AM - Luke Murphey

- Status changed from New to In Progress

- Assignee set to Luke Murphey

#5 - 12/31/2012 05:10 AM - Luke Murphey

- Target version changed from 0.2 to 0.3

#6 - 12/31/2012 09:35 AM - Luke Murphey

- Status changed from In Progress to Closed

Applied in changeset r302.
