#2 - 03/04/2013 06:35 AM - Luke Murphey

Change of plans, I think I am going to use the LXX from Ubound Bible instead:
<http://unbound.biola.edu/index.cfm?method=downloads.showDownloadMain>

#3 - 03/04/2013 07:32 AM - Luke Murphey

- Status changed from *New* to *In Progress*
- % Done changed from 0 to 10

#4 - 03/05/2013 07:30 AM - Luke Murphey

- % Done changed from 10 to 90

#5 - 03/05/2013 08:10 AM - Luke Murphey

The import is successful but navigating the LXX is messed up somehow. Will need to investigate.

#6 - 03/05/2013 06:39 PM - Luke Murphey

- Status changed from *In Progress* to *Closed*
- % Done changed from 90 to 100

Applied in changeset [r382](#).
